An Overview: Trusted Translations, Inc.

Trusted Translations, Inc. is a leading provider of multilingual language solutions, offering professional translation, over-the-phone interpretation (OPI), in-person interpretation, and sign language services, recognized globally for excellence. With a network of over 10,000 expert translators and linguists, we have proudly served more than 5,000 satisfied clients across industries. Trusted by top government agencies, Fortune 500 companies, and non-profit organizations, we provide unparalleled language solutions in over 200 languages at highly competitive prices.

We have delivered exceptional services to highly respected organizations, including Federal, State, and Local Government entities as well as private sector leaders such as Lockheed Martin, Halliburton, Coca-Cola, General Electric, and Citibank. Our extensive client list also includes government agencies such as the U.S. Department of Justice, U.S. Department of Homeland Security, U.S. Army, U.S. Navy, FEMA, and many more.

Key Highlights:

Guarantee of Quality and Best Rates: As a top industry provider, we deliver premium translation services tailored to meet the unique requirements of the U.S. Government, all at one of the most competitive prices on the GSA Schedule.

Extensive Multilingual Expertise: With proficiency in over 200 languages, we are a one-stop solution for any organization requiring reliable, high-quality language services.

Rigorous Translation Quality Assurance: Every project is carefully managed to ensure precision and consistency. We leverage the best technology and resources available, combined with thorough quality measures, to deliver results that exceed client expectations.

24/7 Remote Over-the-Phone and Virtual Interpretation: Our expert interpreters are available around the clock to provide on-demand over-the-phone and virtual interpretation services, ensuring seamless communication anytime, anywhere.

Certified ASL Professionals for Public and Private Sectors: We work with the most highly qualified and certified American Sign Language (ASL) interpreters, meeting the strictest standards required for government contracts and accessibility compliance.

Certifications and Awards:

ISO Certifications: Trusted Translations has earned ISO certifications including ISO 9001:2015, ISO 17100:2015, ISO 18587:2017, ISO 18841:2018, and ISO 20228:2019, demonstrating our unwavering commitment to quality, consistency, and excellence.

Membership in the ATA: As an active member of the American Translators Association, we employ ATA-certified professionals who ensure top-tier quality and reliability.

Hispanic-Owned Business Recognition: Ranked among the Top 500 Hispanic-American Owned Businesses in the U.S., Trusted Translations stands as a testament to innovation and growth in the language services sector.

Expert Legal Team: With U.S.-licensed bilingual attorneys on staff, we ensure that sensitive legal translations are precise, compliant, and meet the highest standards. Certifications are available upon request.

Court-Approved Translators: Our federally-approved court translators guarantee the utmost accuracy for legal and official documentation, ensuring that all translations are defensible and meet judicial standards.

Service Descriptions

Labor Category Title	Functional Responsibilities	Education/Experience
Translation	As a full-service agency, our service includes translation, edition and proofreading by different translators, as well as the translation of all types of documents to and from all file formats. Out on staff desktop publishing and IT experts have worked with virtually every design software and software programming language, and can ensure the seamless and effortless delivery of even the most complex and high volume projects.	Certified by a reputable association, which may include American Translators Association (ATA) and Registry for Interpreters for the Deaf (RID) and at least 5 years of experience.
Phone Interpretation	Provide a person to perform interpreting over the phone, brought in on a means suitable to client including a conference bridge provided by us or another party. A video component can also be added. The person will be chosen from a large pool of interpreters that together speak over 200 languages as well as Sign Languages, and who specialize in a variety of subject matters; this includes medical and federally certified linguists. Interpreters are quality tested to be professional and fit in to the environment rather than stick out. This person will fluently interpret the languages necessary so as to enable the parties to communicate optimally and achieve all other performance goals. This service can also be “on demand” and can include a video aspect, which would be especially crucial in Sign Language environments.	Certified by a reputable association, which may include American Translators Association (ATA) and Registry for Interpreters for the Deaf (RID) and at least 3 years of experience.
Face to Face Interpretation-Simultaneous	Provide a person to perform interpreting face to face to a physical location as specified by the client. The person will be chosen from a large pool of interpreters that together speak over 200 languages as well as Sign Languages, and who specialize in a variety of subject matters; this includes medical and federally certified linguists for a variety of settings. Interpreters are quality tested to be professional and fit in to the environment rather than stick out. Choice will be based on a variety of factors including languages, specialties, proximity to the location. This person will fluently interpret the languages necessary so as to enable the parties to communicate optimally and achieve all other performance goals.
